Generations Performing Arts Center - Monthly Newsletter

FALL IN LOVE WITH DANCE!

Welcome to February at Generations, where recital season is in full swing! Since returning from the break, our students have gone straight to work on their recital dances. A video of your child's routine can be found in your parent portal under the student's name. The link will not change- even if the videos are updated during the season. If you need help accessing these videos, please contact our office. We strongly encourage that our students get an early start on practicing at home! Daily practice will make for a perfect execution at recital, and that is what we are aiming for! Let's get to work!

FALL IN LOVE WITH DANCE!

SUMMER DANCE PROGRAMS

IMPORTANT DATES

FEBRUARY BIRTHDAYS!

FATHER-DAUGHTER DANCE CLASS

FLEXIBILITY

IMPORTANT DATES

- **March 7th-March 11th - Picture Week**
- **March 26th - April 3rd - Spring Break (resume classes on Monday the 4th)**
- **April 22nd - Come watch our 4th Friday Performance**
- **April 30th - Dress Rehearsal**
- **May 13th + 14th - Spring Recital**

IMPORTANT NOTES

- **MAKE-UP CLASSES** - Due to Holidays, school schedules, illness, snow days, etc., if the class is missed for any of those reasons, we encourage the students to make them up. Check at the desk or with your teacher for other times.
- **FEES** - These are due by the 7th of each month. There is a \$10/month late fee on overdue balances.
- **PRACTICE**- We encourage every student to practice on a regular basis at home.
- **COVID** - As Covid persists, remember that if you have a known exposure or are experiencing Covid symptoms, please stay home from Dance Class! You are always welcome to join class over Zoom, or schedule a make-up class.

SUMMER DANCE PROGRAMS

Generations PAC offers a variety of dance opportunities throughout the summer. These programs are an outstanding way for students to experience more focused training during a time where they can put an emphasis on dance. We offer a full range of classes for the beginner through advanced student. We conclude our summer training with a week long intensive. We recommend a summer training regimen as a way of making a huge “leap” in your skill. Some of our more advanced students may travel around the country for additional intensives during our summer break. Students leave all of these programs with an added excitement and improved attitude each year! We hope you will take advantage this year!! Details will be available in March, so keep these possibilities in mind as you plan your family summer activities!

FLEXIBILITY

Although split contests have concluded, we strongly advise our dancers to continue working on their flexibility at home throughout the entire year. Flexibility is a wonderful asset to your dancing ability, and it can only be achieved through persistence and repetition! Keep working toward your goal!

FATHER-DAUGHTER DANCE CLASS

Did you know that father-daughter dance classes are BACK? That's right! This is a beautiful opportunity for Generations fathers to take a special interest in their daughters' love for dance. These classes will begin on February 14th at 7:15 PM and continue on Mondays each week for the duration of our dance season, until concluding in our Spring Recital. The cost is \$150 for the season, plus an additional \$50 for multiple daughters participating. There is also an opportunity for this class to participate in picture week. Contact our office to enroll!

THANK YOU!

Everyone at Generations is so grateful that you are sharing your children with us this season. The past couple of years have brought so many challenges for everyone and we are working hard to continue to provide quality dance training to all of the children that have been entrusted to us. We appreciate all of the families at Generations and the support that you continually provide to the studio. We are so happy that we are able to conduct dance classes and be a part of all of your lives. If there is ever anything we can do to help you or your children, please let us know. You may call 614-794-3298 or send an email to studio@gen-pac.com
